

Fagin's Last Hour - White Bear Theatre

Reviewer & Rating	Review
Ken and Mandy Green (5/5)	Superb performance. Some story lines, such as Nancy's murder in the presence of Fagin, were modified to keep Fagin front and centre, The portrayals of Fagin, Dodger, Sikes and Bullseye were masterful. The death of Nancy was horrendous, hard to watch but effective. I believe that when Dickens did his readings concerning the death of Nancy people were known to faint!.
